The pipe land music is playing in the background while the Mario Brothers are outside the Pipe Land Treasury waiting to be congraulated.

Mario: Plumber's Log: $64 Million "After rescuing Mr. Money Mushroom and saving Pipe Land from Piranha plants, I am about to be rewarded with a gift, hopefully pasta."

Mario and Luigi went into the treasury and lots of mushrooms were cheering for Mario for saving Pipe Land.

Mr. Money Mushroom: "Has I'm the director of the treasury, I will reward you Mario with this new red Mario coin which is worth 2 normal coins. You're our hero, Mario."

While everyone was cheering, Luigi just shrugged to the other side since he was jealous that Mario has a coin but he doesn't.

Luigi (sarcastically): Way to go, Mario.

In Castle Koopa in Dark Land; King Koopa, Mouser and Triclyde were watching the TV and suddenly a green hand turned the screen off using the remote. The music changes to the Dark Land theme.

King Koopa: "I HATE THEM PESKY PLUMBERS! Not only they saved Pipe Land, but they are stamped their hairy face on the dough."

King Koopa walks up to a machine and presses a few buttons on it.
King Koopa: "I'll make it so every Mushroom Kingdom coin will have my darling face on it."

On the machine, a picture of a red coin with a green King Koopa on it is laughing.

King Koopa: "Super Mario Special Search and Smash Squad, come here!"

Mouser and Triclyde got up from the sofa and ran straight to Koopa.

King Koopa: "I want that overweight plumber out of my claw for a few hours, got it?"

Mouser: "Yes, your rottenness"
Triclyde: "We will do it straight away."

Mouser and Triclyde run out of Castle Koopa.
King Koopa: "Let me know when you did it, then my assault on the Pipe Land Treasury will begin!"

Koopa Troopa then patted on Koopa's spiney shell.

Koopa Troopa: "What do you want me to do boss?"

King Koopa: "I want you to lick my feet, take out the garbage and for Koopa's sake, guard outside!"

Koopa Troopa: "Licking feet, yak! I don't see the Koopa pack do all these things and they foul up more than me!"

Koopa Troopa is walking towards the exit but the door slammed on Koopa Troopa. A magikoopa came out of the hallway and the music changes to the Ghost House music in Super Mario World.

Koopa: "Who are you suppose to be, Kamek the Magikoopa?"

Magikoopa: "I am Wizardheimer! The best Koopa wizard in the Mushroom Kingdom and you need a plan to get rid of the Mario Brothers, do you?"

King Koopa was thinking of the plan but all he could think of is a flashback of Ghosts R Us in Super Mario World.

King Koopa (while running): "Afraid not Wisenheimer, I don't want you mucking my plans up. Get out!"

Wizardheimer: "You can see that I have all my magic powers right here, and it's Wizardheimer!"
